(*b*) Candidates belonging to the Depressed Classes *viz.*, (1) Koracha, (2) Korama, (3) Banajar, (4) Vodda, (5) Adikarnatakas and Adidravidas, (6) Mochis, (7) Animists, (8) Iruliga, (9) Hill Tribes, (10) Hosalaru, (11) Jenukuruba, (12) Kadukuruba, (13) Maleru and (14) Soligaru are exempted from payment of admission fees for the several Public Examinations of 1955.

NOTE.—Late applications for admission to the several Public Examinations conducted by the Department will be entertained up to 15 (fifteen) days from the dates prescribed for submitting applications for the several examinations on payment of a penal fee of Rupee one in respect of each such application. The amount should be credited to a Government Treasury and the receipt obtained thereof sent along with the application form. No application will be entertained under any circumstances 15 days after the date fixed.

3. *Fee sent in cash or in any form will not be accepted.* Candidates living outside the State should make their own arrangements for paying application fees for the examination into a Mysore Government Treasury and send the printed application form with the Treasury receipt and seal thereon on or before the specified date.

4. All columns in the form of application should be carefully and accurately filled in. The enclosures mentioned in column No. 3 in the statement should invariably be attached to the application for admission to the examination. Applications found *defective in any respect* will be rejected and returned to the party and *request for refund of fees on the ground that the applications were rejected will not be entertained.*

5. The printed column in the application form for non-attendance certificate in the cases of private candidates for S.S.L.C. Examination of 1955 should be filled in before the form of application is sent to the Secretary, Secondary Education Board. The officers who sign the certificates of non-attendance are requested to satisfy themselves that the candidate is a *bona fide* private candidate and they should ensure themselves that no scope for irregularity of any kind is allowed in this respect.

6. The fees once paid into the Treasury for admission to any Public Examination shall, on no account, be refunded but may be reserved for the very next examination only, if the candidate was unable to sit for the examination on account of illness. This should be supported by a Medical Certificate from a Registered Medical Practitioner, provided the application for such reservation reaches the Secretary, Secondary Education Board, Bangalore, before the commencement of the Examination for which the fees have been paid.

7. A consolidated list of candidates, who are deficient in attendance calculated up to the end of February 1955 should be sent in the prescribed form, which will be supplied along with the application forms so as to reach the Secretary, Secondary Education Board, Bangalore, *not later than the* 5th March 1955. The attention of the Heads of Institutions is invited to the Director of Public Instruction's Circular No. 1 of 1940-41—Edn. 64-3 of 1940-41, dated 11th July 1940, laying down rules regarding the cases to be recommended for exemption.

8. It is of the utmost importance that the Heads of Schools should not only advise the candidates to give their correct date of birth, *i.e.*, day, month and year, but also reconcile the dates given in the application form with those entered in the Admission Register of the School. *The candidate should be made to give only the father's name (whether living or not) and not the guardian's name.*

9. The Heads of High Schools sending up candidates for the S.S.L.C. Public Examination will kindly note the following points in connection with the preparation and submission of applications for candidature:—

(*a*) Candidates should be asked to give their *correct* date of birth, *viz.*, the day, month and year in the form of application *as entered in the form of application for admission to the school and in the Admission Register* of the School without giving room for unnecessary correspondence in the matter. They should be advised to enter *only the father's name (whether living or not)* in the form of application and not the guardian's name.

(*b*) The Heads of Institutions should satisfy themselves that the entries in the S.S.L.C. card correspond with those in the form of application for admission to the examination in every respect and that the date of birth entered in the S.S.L.C. card corresponds with that in the admission register of the school.

(*c*) The Heads of High Schools should arrange the applications and the S.S.L.C. cards separately in the same order, *i.e.*, firstly according to the second language chosen by them and secondly, in the alphabetical order under the several second languages. In no case should the application forms and the S.S.L.C. cards be mixed up, as this will lead to confusion while checking applications. The applications and S.S.L.C. cards of candidates who have been declared "E. P. S." in previous year should be separated from others and arranged in the same manner as stated above.

(*d*) The Heads of High Schools should also furnish a separate certificate to the effect that all the entries in the form of application and the S.S.L.C. card agree with those made in the admission register of the schools.

(*e*) A classified statement showing the names of candidates under "Ordinary and Supplementary" certificates, the several second languages and optional subjects offered by them should accompany the applications for candidature.

(*f*) The Heads of High Schools should put their signature on the left hand portion of the S. S. L. C. Marks Card and should not affix their fascimile signature.

10. The admission tickets of candidates who appear for the several Examinations of 1955 by *Private study* will be sent direct to the candidates concerned by ordinary post to the address furnished by them in their application for admission to the examination about 15 days prior to the date of the commencement of the examination to which the particular candidate has appeared. Private candidates are therefore advised to enter their postal addresses clearly in their application forms. *The examination Office cannot undertake to note the changes in the address intimated after the applications are sent in* and it will not be responsible for non-delivery of admission tickets, etc., sent to the candidates concerned in consequence of the incompleteness or inaccuracy or change of the postal addresses furnished by them.

11. Applications for the Teachers' Certificate Examination—Higher Grade—(Theory) from private candidates will not be accepted unless they had appeared for the examination and failed at least once. But teachers in recognised schools who have put in five years service or more and who had no chance of being deputed for training by the Department will be admitted to the examination by private study, subject to the condition that they possess the minimum general qualifications prescribed for the examination provided that applications for admission to the examination are accompanied by certificates issued by the Inspecting Officer in direct charge of the school to the effect that the teacher possesses the minimum general educational qualification prescribed therefor, that he has put in five years approved service in a recognised school, that he is fit to take the examination by private study.

12. The admission of candidates to the Teacher's Certificate Examination—Lower Grade (New Rules) by private study is regulated as hereunder:—

(1) Persons who had sat for the Lower Secondary Training Examination (one year or two years' course) under the Old Rules and failed therein.

(2) Persons who had sat for the Upper Secondary Examination under the old rules and failed in one or both the groups.

(3) Persons who had sat for the V.T.C. Second Examination according to the old rules and failed therein may appear for Group II of the Examination by private study.

13. It should be clearly understood that the provisions in this notification do not in any sense supersede the detailed notifications relating to the several examinations and that the provisions in the detailed notification should be fully satisfied before any candidate is registered for the examination to which he seeks admission.
